

**Amendment To The Claims:**

The listing of claims will replace all prior versions, and listings, of claims in the application:

1. (Currently Amended) A communications device including a messaging user interface, the interface including means for selecting a component for inclusion in a message, means for selecting the conditions under which the message may be opened by a device of a recipient and means for storing said component as a message together with a message header holding the conditions under which the message may be opened by the device of the recipient in a memory of the communication device.

2. (Currently Amended) A device as claimed in Claims 1, in which the message header further contains information descriptive of the content of the multimedia message.

3. (Original) A device as claimed in Claim 1, including a look-up table wherein the table contains entries of locations from which components are selectable.

4. (Previously Presented) A device as claimed in Claim 3, wherein at least one of the locations is the memory of the communication device.

5. (Original) A device as claimed in Claim 1, wherein the message includes a plurality of components and associated presentation files.

6. (Original) A device as claimed in Claim 1, in which at least one component is a multimedia file.

7. (Original) A device as claimed Claim 1, including means for creating a presentation file associated with said component, said file being stored with said message.

8. (Currently Amended) A device as claimed in Claim 7, wherein the presentation file contains parameters relating to the size and position of a component comprising a video image.

9. (Original) A device as claimed in Claim 7, wherein the presentation file contains parameters relating to the volume of a component comprising an audio recording.

10. (Previously Presented) A device as claimed in Claim 7, wherein the presentation file contains parameters relating to the color and font of a component comprising a text string.

11. (Original) A device as claimed in Claim 1, including means for formatting the message an attachment to a short text message.

12. (Original) A device as claimed in Claim 1, including means for formatting the message as an email.

13. (Original) A device as claimed Claim 1, including wireless network interface means.

14. (Original) A device as claimed in Claim 1, wherein the device is a radio telephone.

15 - 22. Cancelled (Without disclaimer or prejudice).
